Student Body President
DENNIS McCOY

Dennis is a resident student from Tupelo. The job of being president of a student body is nothing new for Dennis, because he served as student body president at Tupelo High School. His gift of leadership can be easily seen at IJC, also.

S c h o o l S p i r i t

The crop of hair was plentiful at IJC this fall. Allan Pearce and Johnny McFadde of Fulton give Jimmy Short of Hatley his new freshman hair style as Margaret Davis catches the falling locks.

Lines, lines, lines!

Odd smells and sounds are always rolling from this den of bubbling liquids and flaming mixtures.

Traffic rules and parking stickers are being enforced this year by the Fulton police department.

Postman Byron Howell

A few members of the IJC ball team unlock the Indians' bus to load for one of the many fall football trips.

This bus-load of managers, ball-players and coaches represents IJC's 1965 football team.

The ball is snapped by the center and play gets under way.

TOMBIGBEE

CON

CONFERENCE CHAMPS

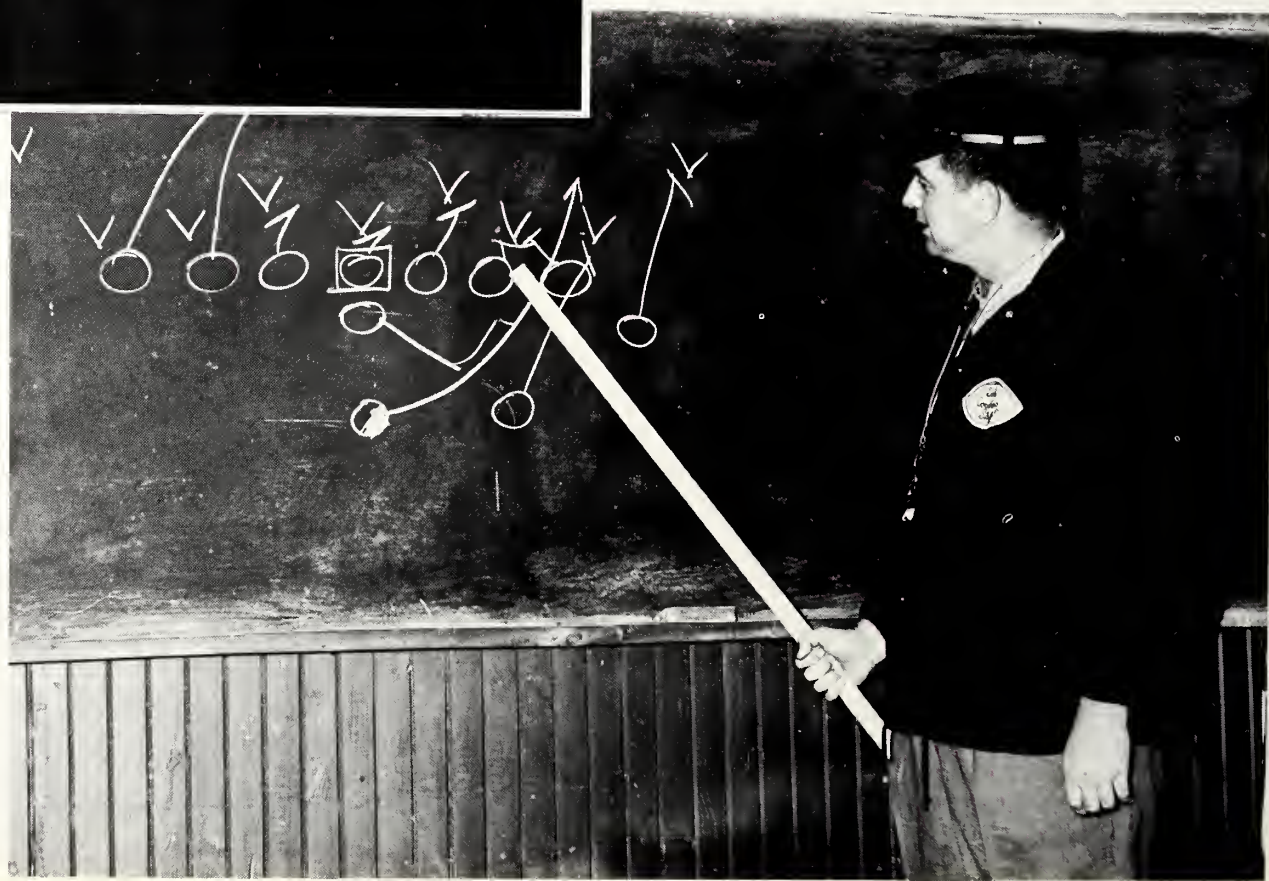

Because of his successful achievements in the field of coaching football, Coach Ben Jones was chosen "Coach of the Year" for 1965-66.

Since his coming to Itawamba High School in 1963, our team under Coach Jones' instruction thrice has either held or shared the Tombigbee Conference Championship.

Coach Jones has demonstrated his leadership abilities in areas other than football. He also coaches basketball. In addition to this heavy schedule, he teaches American Government, Democracy, and Driver's Training.

"I'd just like to say this: This circle is suppose"

Boys' State and Girls' State

From left: Aaron Loden, Henry Nanney, and Reggie Mobley.

At Girls' State and Boys' State, young people have the opportunity to put into actual practice the principles of government learned in school. They experience the excitement of political campaigns and elections. The students are elected to various city, county, and state offices, and on an appointed day, they assume the responsibility of that office and carry out its functions.

These happy Girls' State citizens display the spirit of campaigning.

You wouldn't believe they're watching real live "Bunny Girls" would you?
